Masonic Leadership is Stronger Together

It takes a team of people, working in unity and harmony, to lead a lodge. That's why we've brought all lodge leaders together this year. Our 2025 retreats are designed to simplify the way you manage your lodge, invigorate your members, streamline your degree planning, and inspire prospects. All that, in addition to guiding the strategic direction of our fraternity. This is a jam-packed weekend full of fraternal spirit—no matter your officer role.
